MESSAGE FROM THE PRESIDENT

3-MEN ACADEMICS over the decades has established itself as an organization committed towards providing timely and meaningful support to needy children, women & Senior Citizens by effectively implementing projects in the area of Health, Education and Nutrition. The organization has worked with multiple stakeholders: governmental bodies, media, private sector, international and national NGOs and multilateral organizations to create a platform and an understanding towards this marginalized and voiceless section of the society.

I thank our funders, partners and volunteers for their unstinting support and guidance in our mission which have a sustainable cost effective and positive impact on the society.

I'd like to share some key highlights which we believe have had significant impact on our beneficiaries and society at large. Over the years, 3-MEN ACADEMICS has adapted its programmes to reflect the concerns of our older population, Women and children in destitute urban and rural areas to address issues like isolation, neglect that sizeable numbers of our elderly face and the violence against women and children.

Finally, I would like to personally thank every single staff member and volunteer of 3-MEN ACADEMICS who has worked selflessly and tirelessly to serve women and children of most vulnerable communities.

I would also like to thank our committee members for their continuing guidance and encouragement as we venture into new geographic areas and interventions and scale up our work.

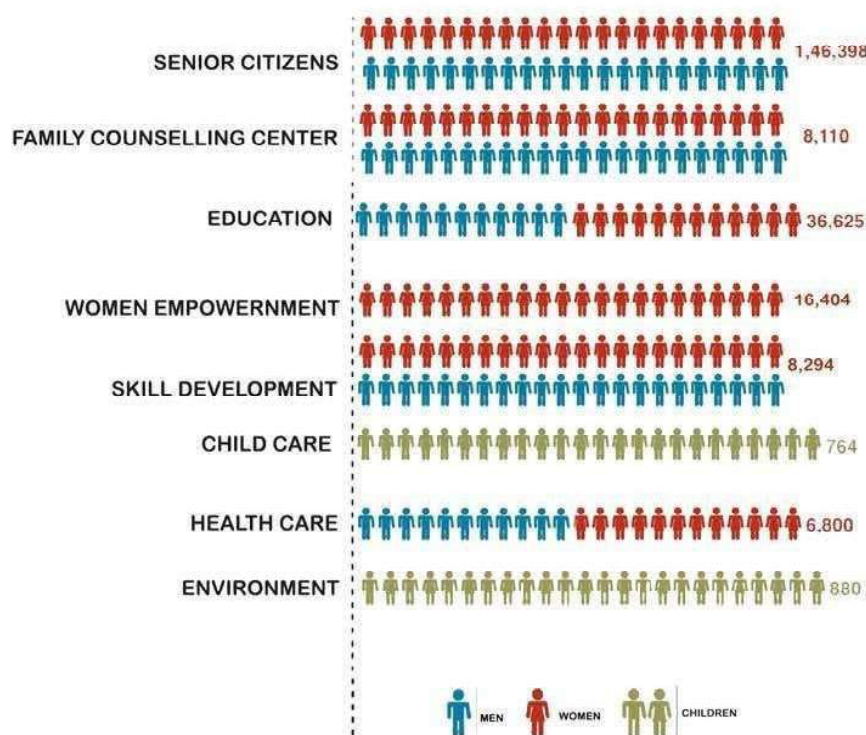

Last but not the least on behalf of 3-Men Academics, I would like to pay my sincere gratitude to the Ministry of Social Justice and Empowerment and particularly to the Secretary Sir Sri R. Subrahmanyam garu who streamlined all the aging institutions with his innovative thoughts like PMU Inspections, CC TVs and Website Linkage in result all NGOs now getting timely grants which directly helps to run the programme smoothly.

M. Ramamohan Rao
President.
